Nice Try

Apocalyptic
Beast so cryptic,
Cease to exist!
Doomsday is on!
Elites are wrong!
Fertility rites?
Generative principle?
Holocaust?
Inquisition?
Jesus crossed?
Why is he still hanging?
Why is Mary breast-feeding?
Why all these negative images?
Knights of Bullshit!
Let me go!
Mother Church is a
Necromancy false door!
Officially pimped political idiots,
Powers of the bottomless pit
Quo vadis?
Religions are tools,
Shit gods for fools!
Tomb wall lies!
Utopia dies!
Victory-
Wastelands rise!
XY-Chromosome-
Zombie, go home!
